

ILEC AGREEMENT

EXECUTIVE SUMMARY TRAFFIC TERMINATION AGREEMENT FOR MH TELECOM, INC.

MH Telecom, Inc. has signed a Traffic Termination Agreement for the state of Wisconsin. This agreement was prepared by Jim Barrett and sent to Contract Management in draft form.

Per Jim Barrett...“the purpose of this agreement is for the exchange of toll traffic and is limited to the Dodgeville exchange. The terms and conditions for exchange of any other type of traffic including, but not limited to Telecommunications traffic exchanged between the Parties which is classified as either ELCA, Local, Transit, ISP, FX, or FGA, shall be pursuant to a separate agreement of applicable tariff.”

Also, per Jim Barrett...“as a result the provisions were eliminated in the standard agreement, that relate to the excluded types of traffic and have a specific deadline of October 2, 2002 for MH to stop sending transit traffic. The agreement also allows MH to continue it's limited non-standard use of our Madison tandem to route calls to and from an IXC for the term of the agreement. It also permits Ameritech to request that MH transition to some other arrangement should Ameritech have documented tandem exhaust at Madison.”

Termination date of this agreement is December 31, 2004, critical date is April 4, 2004.

Per Marilyn Reese of Contract Pricing, there is no pricing needed because this is an ILEC agreement. Instead, the rates are incorporated in the agreement as Exhibit A and was negotiated by Jim Barrett based on per traffic termination for this specific ILEC.

This was approved and prepared by Jim Barrett 312/727-2413 of Legal and Jack Frith 214/858-0190 of Exchange Carrier Product Management.

PREPARED BY D'ANNA STURDIVANT 214/464-2331.

I understand that the Wisconsin Public Service Commission will not accept an interconnection agreement for approval pursuant to 47 USC 252 unless the competitive provider has been certified by the Commission, or is a wireless provider. The undersigned hereby warrants that it has received any necessary Wisconsin certification and also consents to Ameritech Wisconsin requesting approval of the interconnection agreement on behalf of both parties.
